TLA...UU

| Shell Type needle roller with seals |    |    |                                 |        |                      |        |                           |       |                               |
|-------------------------------------|----|----|---------------------------------|--------|----------------------|--------|---------------------------|-------|-------------------------------|
| Boundary dimensions mm              |    |    | Standard mounting dimensions mm |        |                      |        | Basic dynamic load rating |       | Allowable rotational speed(1) |
|                                     |    |    | Shaft dia. H6                   |        | Housing bore dia. h7 |        | C                         |       |                               |
| P                                   | D  | C  | Min.                            | Max.   | Min.                 | Max.   | N                         | N     | rpm                           |
| 50                                  | 50 | 20 | 50.000                          | 49.999 | 57.991               | 57.981 | 23000                     | 54100 | 3500                          |

## PRODUCT FEATURES

|                  |               |
|------------------|---------------|
| Brand            | IKO           |
| N° Ean13         | 3616060601087 |
| Inside diameter  | 40 mm         |
| Outside diameter | 47 mm         |
| Thickness        | 20 mm         |
| Limiting speed   | 4500 rpm      |
| Dynamic load     | 16.7 kN       |
| Static load      | 33.7 kN       |
| Packaging        | 1             |
