Description

TEROSON® VR 315 FILLER is a grey, fast-drying acrylic filler to even out small imperfections, scratches, and sanding marks, creating a smooth surface on filled substrates for subsequent painting. It is used on filled surfaces such as steel, galvanized steel, various plastics (PVC, PPO/PA, ABS, PC/PBT), wood and cured 2K filler.

Avantages

Even out small imperfections, scratches, and sanding marks, creating a smooth surface

Caractéristiques

Grey, fast-drying acrylic filler to even out small imperfections, scratches, and sanding marks
